

U.S. Rep. Lloyd Doggett announced that the IRS has more than 600 undeliverable tax refund checks belonging to taxpayers who filed their returns in Travis, Bastrop, Caldwell, and Hays counties. The checks total about \$700,000 and could not be delivered because of mailing address errors.

Taxpayers who locate their name on the IRS Refund List below can use *Where's My Refund?* on

www.irs.gov

to check on the status of the missing refund, initiate refund tracers and update their addresses online, 24/7. Taxpayers without internet access can call 1-800-829-1954 to check on a missing refund.
